### **MANHATTAN COMMUNITY BOARD FIVE - POLICY ON PUBLIC NOTIFICATION**

WHEREAS, Manhattan Community Board Five wishes to adopt a policy that (a) complies with the requirements of the Open Meetings Law and (b) maximizes community understanding of and involvement in our proceedings by means in addition to what is required under the Open Meetings Law;

WHEREAS, the Open Meetings Law requires that notice be given to the news media and posted prior to every meeting. Specifically, §104 of that statute provides that:

1. Public notice of the time and place of a meeting scheduled at least one week prior thereto shall be given to the news media and shall be conspicuously posted in one or more designated public locations at least seventy-two hours before each meeting;
2. Public notice of the time and place of every other meeting shall be given, to the extent practicable, to the news media and shall be conspicuously posted in one or more designated public locations at a reasonable time prior thereto; and
3. The public notice provided for by this section shall not be construed to require publication as a legal notice;

WHEREAS, in addition to the foregoing requirements of the Open Meetings Law, CB5 wishes to establish additional procedures ("Additional Notification") to better engage the public in our proceedings;

WHEREAS, the content, method, timing, and frequency of Additional Notification is subjective and can vary depending on the particular facts and circumstances of each application. Therefore, we must rely on the judgment and expertise of the respective committee chairs to determine what is appropriate in each case;

**RESOLVED, that, in furtherance of the foregoing, Community Board Five hereby adopts the attached policy on public notification.**
